

ChinLEAD and ChinUPs in the Southern Highlands

Primary Mathematics Professional Learning with Anita Chin

2020

Terms 1 - 4

Hosted by
**Bowral
Public
School**

Leading expert in Australian primary mathematics education, Anita Chin, is excited to bring her inspiring PL to teachers and leaders in the Southern Highlands in 2020.

For the first time, Anita is presenting a combination of two PL models: her new ChinLEAD series for developing maths leaders to drive improvement at their school, and ChinUP after-school hands-on workshops for classroom teachers.

With over 25 years' experience in education, she knows a little bit about maths!

ChinLEAD series

With two sequential modules, ChinLEAD empowers your maths leaders to energise and prioritise mathematics at your school. It supports their growth as maths educators and empowers them to coach their colleagues: preparing them for the important role of transforming maths across the whole school.

Book both modules in succession, or complete Module One first, then register for Module Two when your school is ready to progress. Any primary school in any sector can register.

The essential ingredient: Your Maths Crew

Before registering, nominate a Maths Crew - a team of 3 to 6 (depending on school size) maths enthusiasts.

Your Maths Crew will include:

- A School Leader - Principal or Deputy Principal
- A Maths Leader - a member of your executive team
- Up to four Maths Champions - classroom teachers representing each of your Professional Learning Teams.

Book just
Module One
or both!

Module One | Term 1, week 9

Developing Maths Leaders at Your Primary School

Whole-day workshop (Term 1)

- Explore your Maths Crew's unique roles
- Learn about developmental sequences of learning in the *NSW Mathematics K-6 Syllabus*
- Unpack and use Anita's *Complete Leading Maths Toolkit*
- Plan your school's maths journey using Anita's proprietary leadership tools to strategically develop a consistent and sustainable whole-school approach to mathematics.

30-min mentoring call (Term 1, following the workshop)

- Plan your school team's next steps with Anita's guidance.

Module Two | Terms 2 & 3, weeks 9

Empowering Your Maths Leaders to Transform Mathematics Within Their Teams

Whole-day workshop (Term 2)

- Review, reflect and refine your school's strategic plan developed in Module One
- Learn how to structure a high-quality maths lesson
- Use Daily Number sense to plug gaps in learning
- Experience whole-class differentiated instruction
- Create observational assessment checklists.

After-school workshop (Term 3)

- Solve word problems by thinking and reasoning like a mathematician
- Engage in tasks to challenge high potential learners.

ChinUP after-school workshops

ChinUP after-school workshops are open to all schools in the community. These two-hour workshops are for school teams of up to 8 educators. Individuals and casual teachers are also very welcome.

ChinUP workshop topics

Anita is excited to bring you the following short and sharp hands-on workshops, jam-packed with practical ideas and classroom ready resources:

- Plugging Gaps in Student Maths Knowledge at the Start of Every Lesson, K-6
- Teaching Fractions Using Visual Models and Concrete Materials, Y2-6
- Tools and Strategies for Solving Word Problems, Y1-6

Find out more and get your 'Grab and Go' tickets from the links at anitachinmaths.com.au/pl/chinup-events

Southern Highlands 2020 PL calendar

Hosted by Bowral Public School

Combine ChinLEAD and ChinUPS for a whole-school approach

Anita has scheduled all courses for 2020 so that developing maths leaders participating in ChinLEAD will be a step ahead of classroom teachers attending ChinUP workshops. After experiencing Anita's infectious passion for teaching mathematics, your teachers will return to school inspired to learn more from their maths leaders. While the two PL models work well hand-in-hand, schools also have the flexibility to book individual or multiple events based on their needs and budgets.

Event	Course name	Date	Time	Price (inc GST)	NESA hours
ChinLEAD Module One	Developing Maths Leaders at Your Primary School (5 hrs)	Tue 24 March (T1, wk 9)	9:00 am - 3:00 pm	\$400 pp	5
