

Using a Venn Diagram

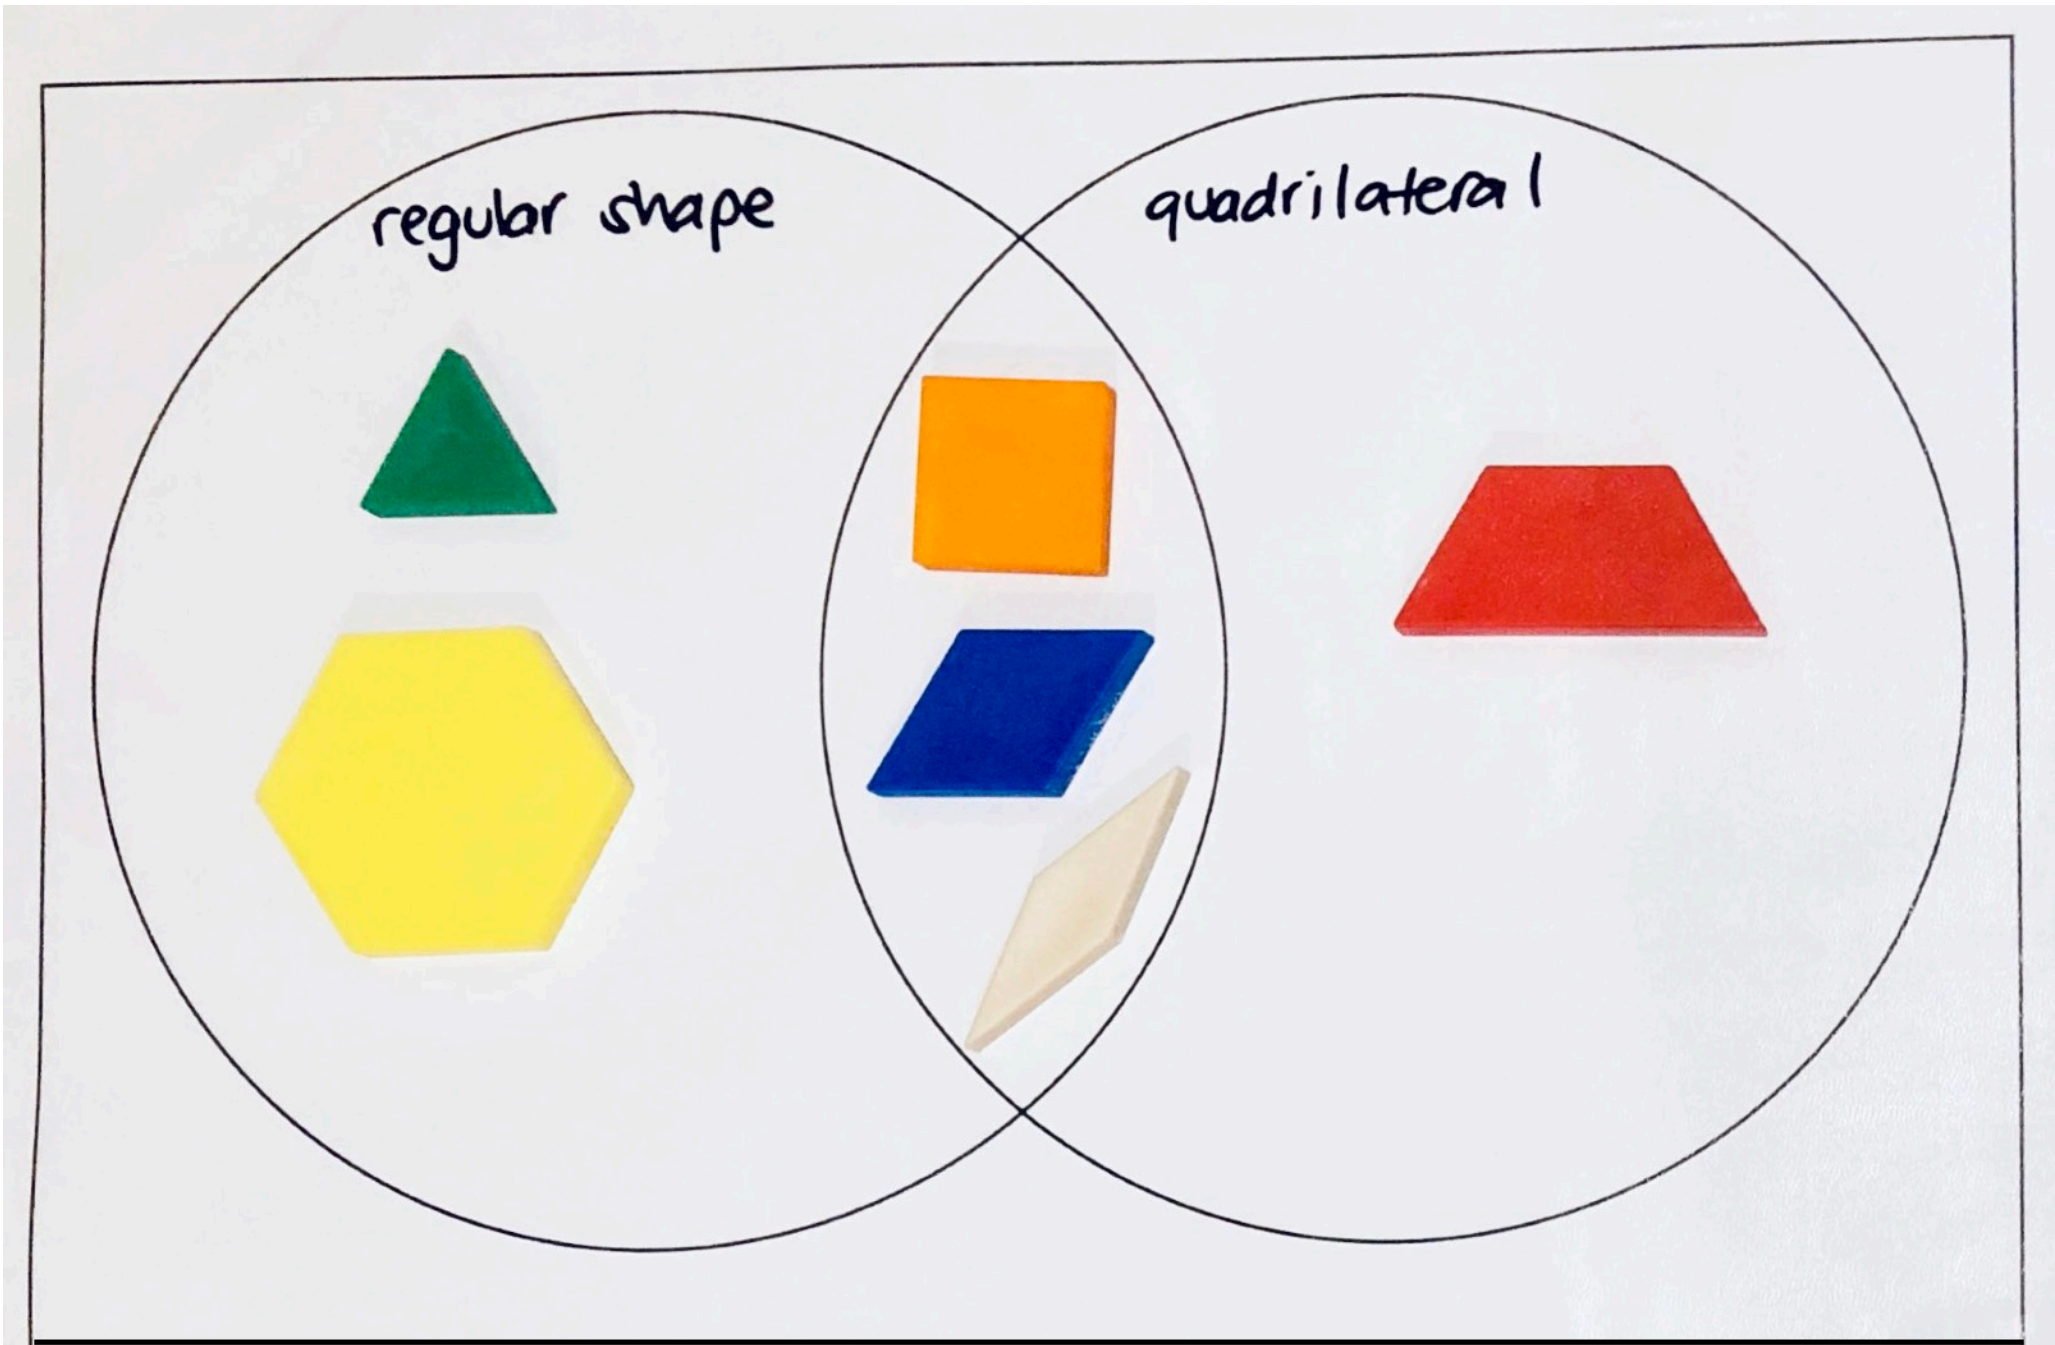

: Comparing and contrasting 2D shapes using patterns blocks

Contents

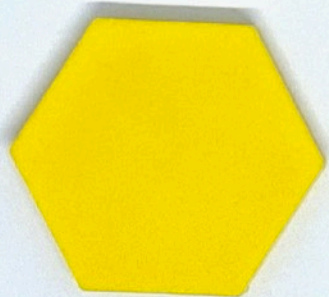

Same/different (using sorting chart) - various examples. K to Yr 3	2
Compare/contrast example - side lengths. Yr 2 (ACMMG042); Yr 3 (MA2-15MG)	3
Compare/contrast example - line symmetry. Yr 3 (ACMMG066, MA2-15MG)	4
Compare/contrast example - parallel sides. Yr 3 (MA2-15MG)	5
Compare/contrast example - angle sizes. Yr 4 (ACMMG089, MA2-16MG)	6
Compare/contrast example - angle sum. Yr 7 (ACMMG166, MA4-17MG)	7
Venn Diagram (two disjoint sets) - printable.	8
Venn Diagram (two sets) - printable.	9
Venn Diagram (three sets) - printable	10
Packaging Pattern Blocks - a whole-school approach.	11

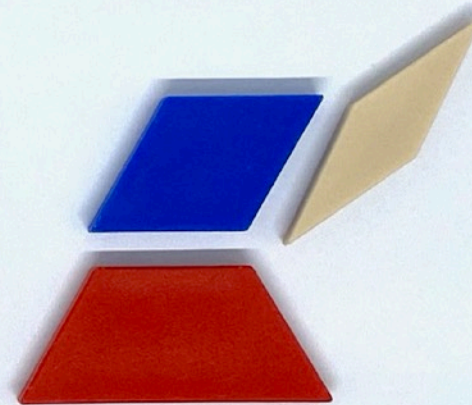

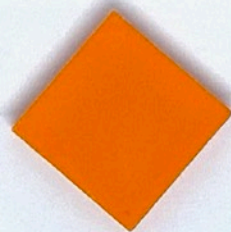

more than three
lines of symmetry

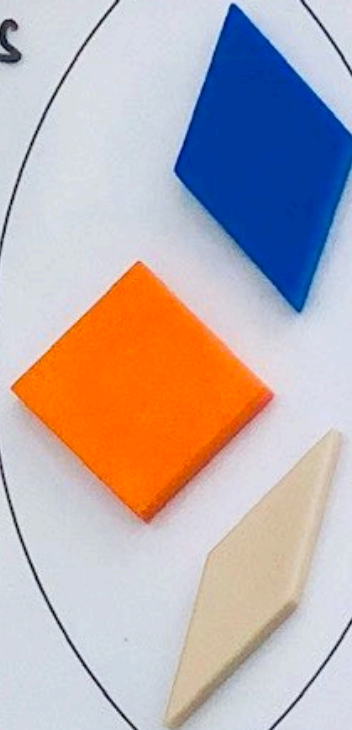

quadrilateral

2 or more pairs
of parallel sides

quadrilateral

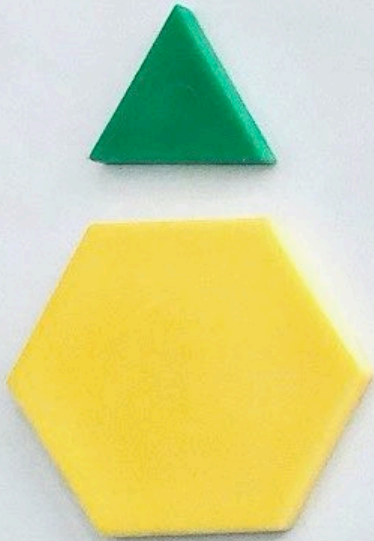

2 or more
acute angles

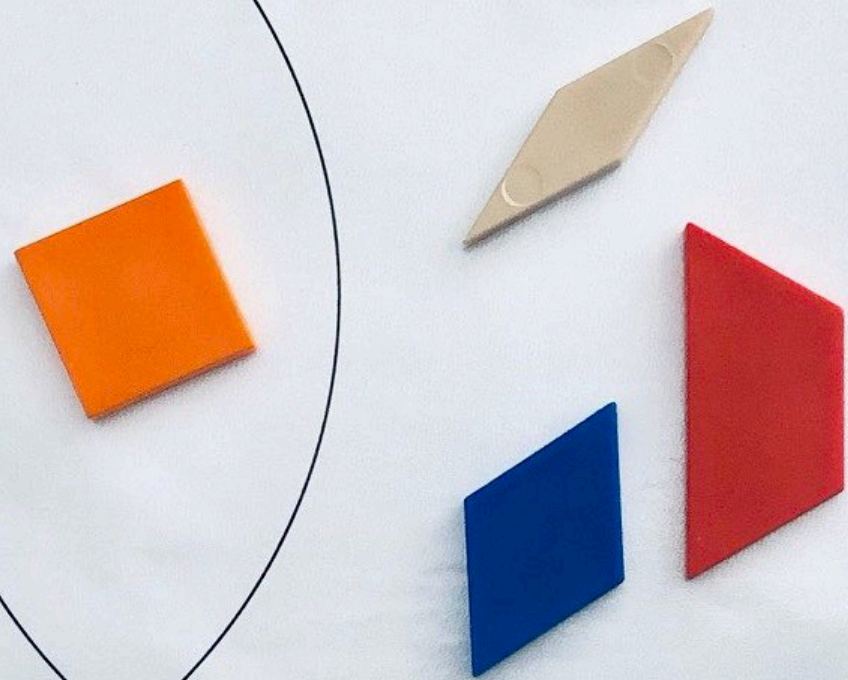

2 or more
obtuse angles

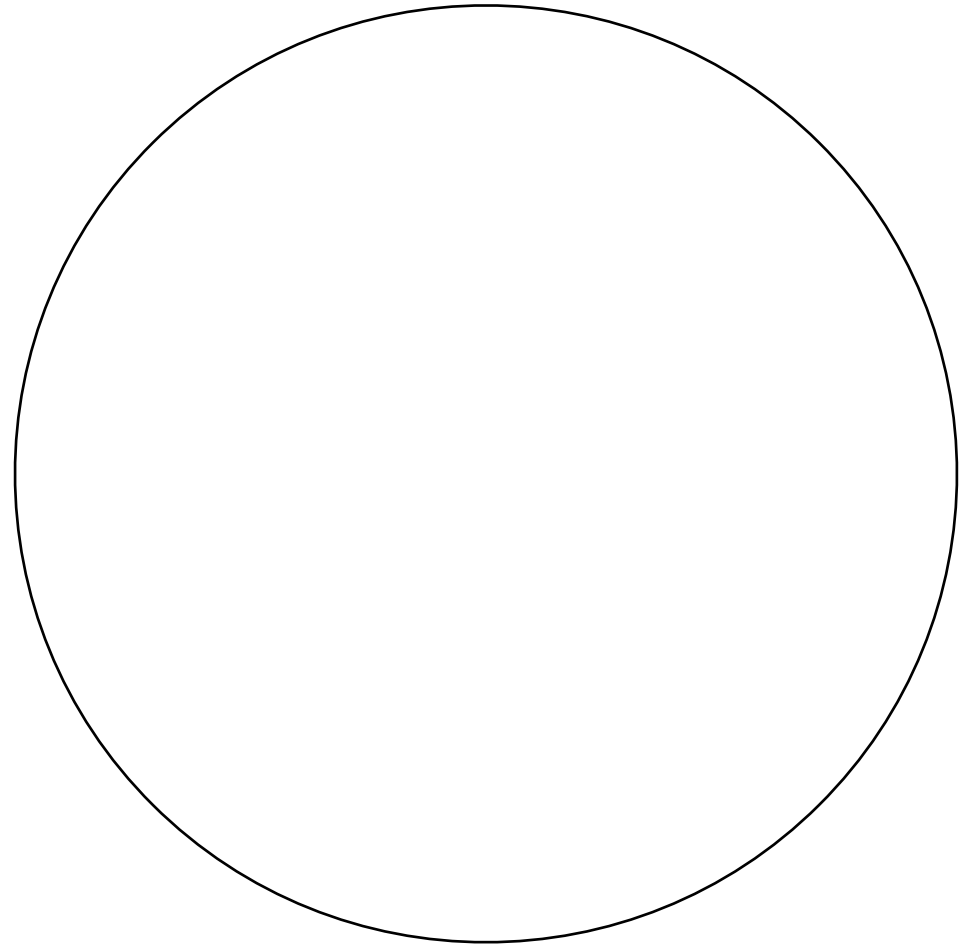

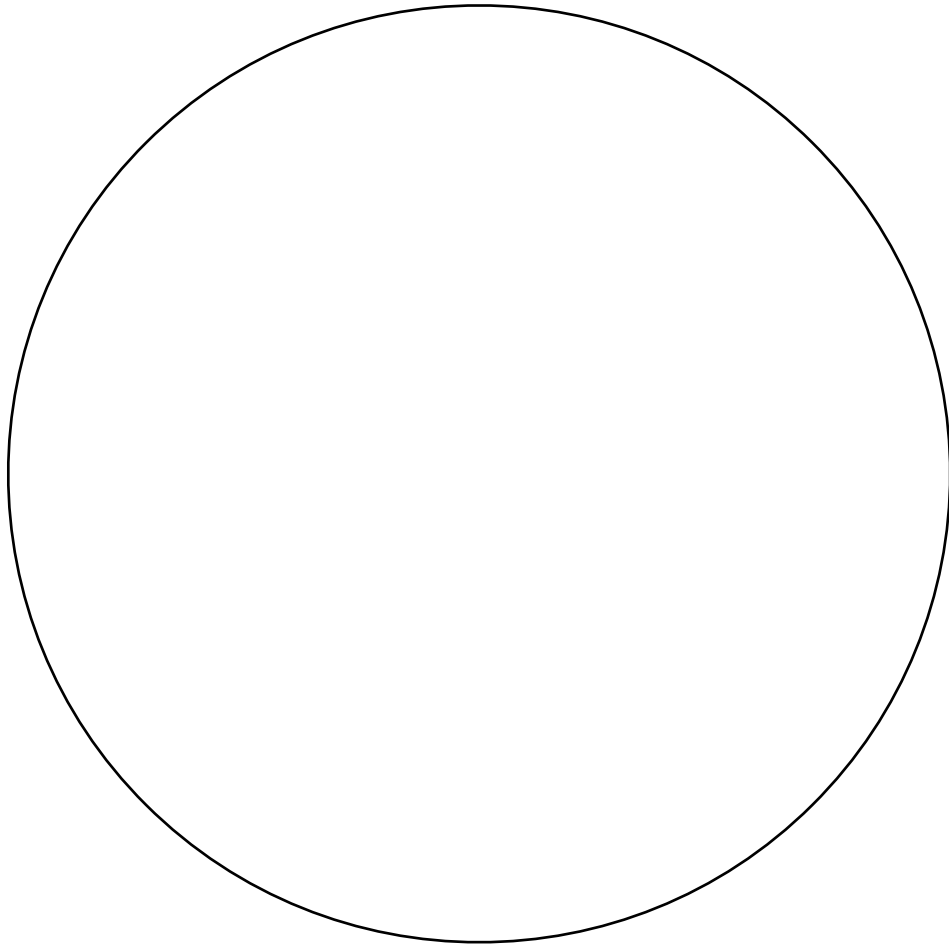

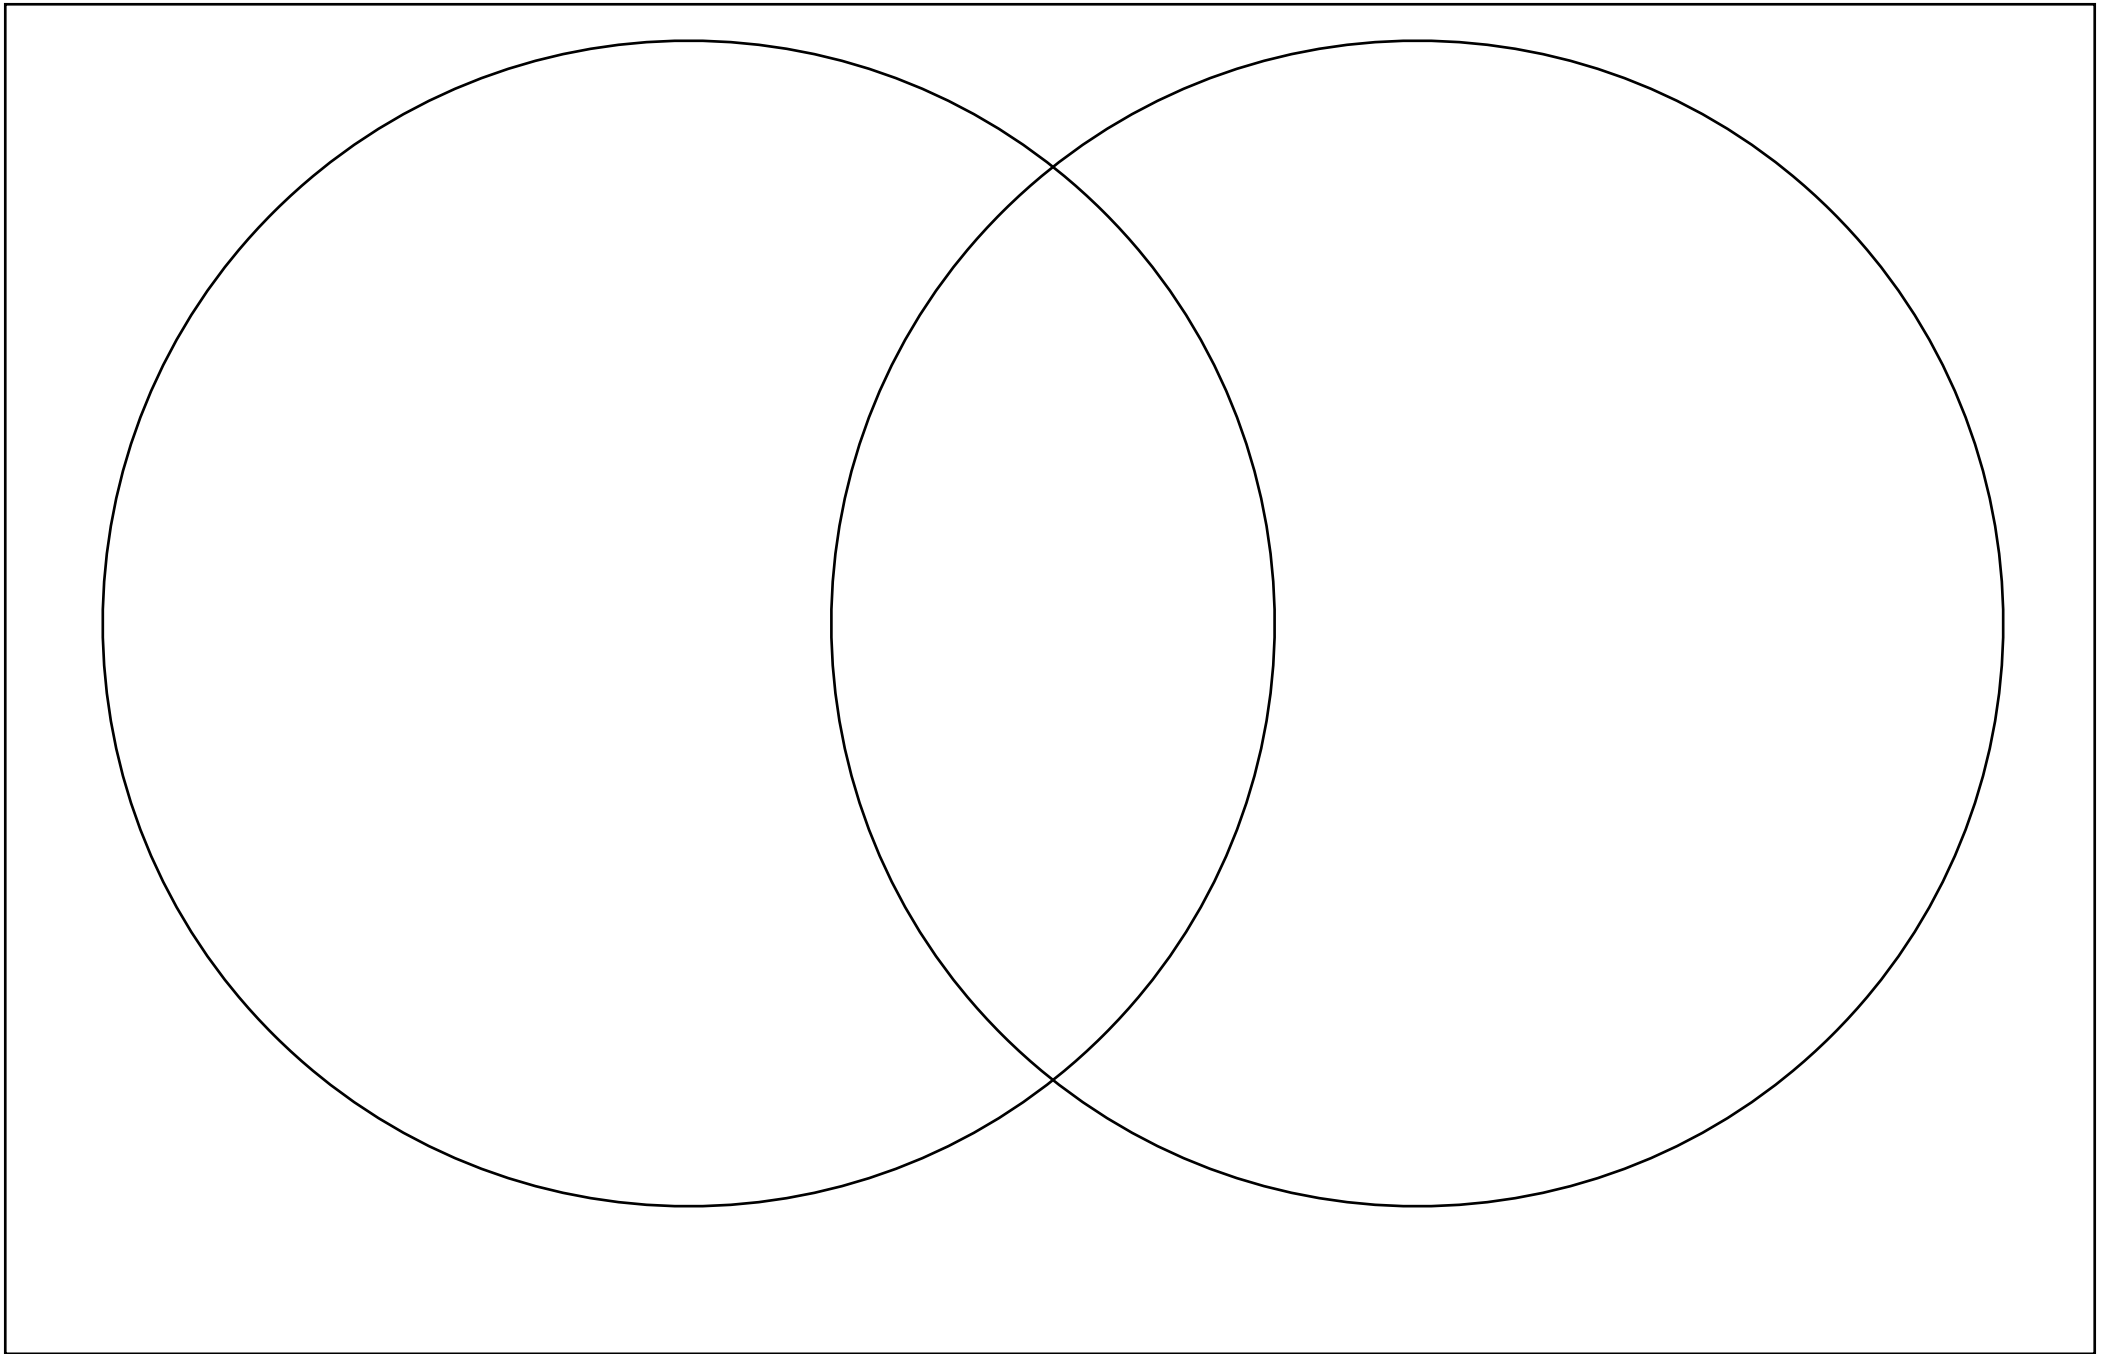

all angles are equal

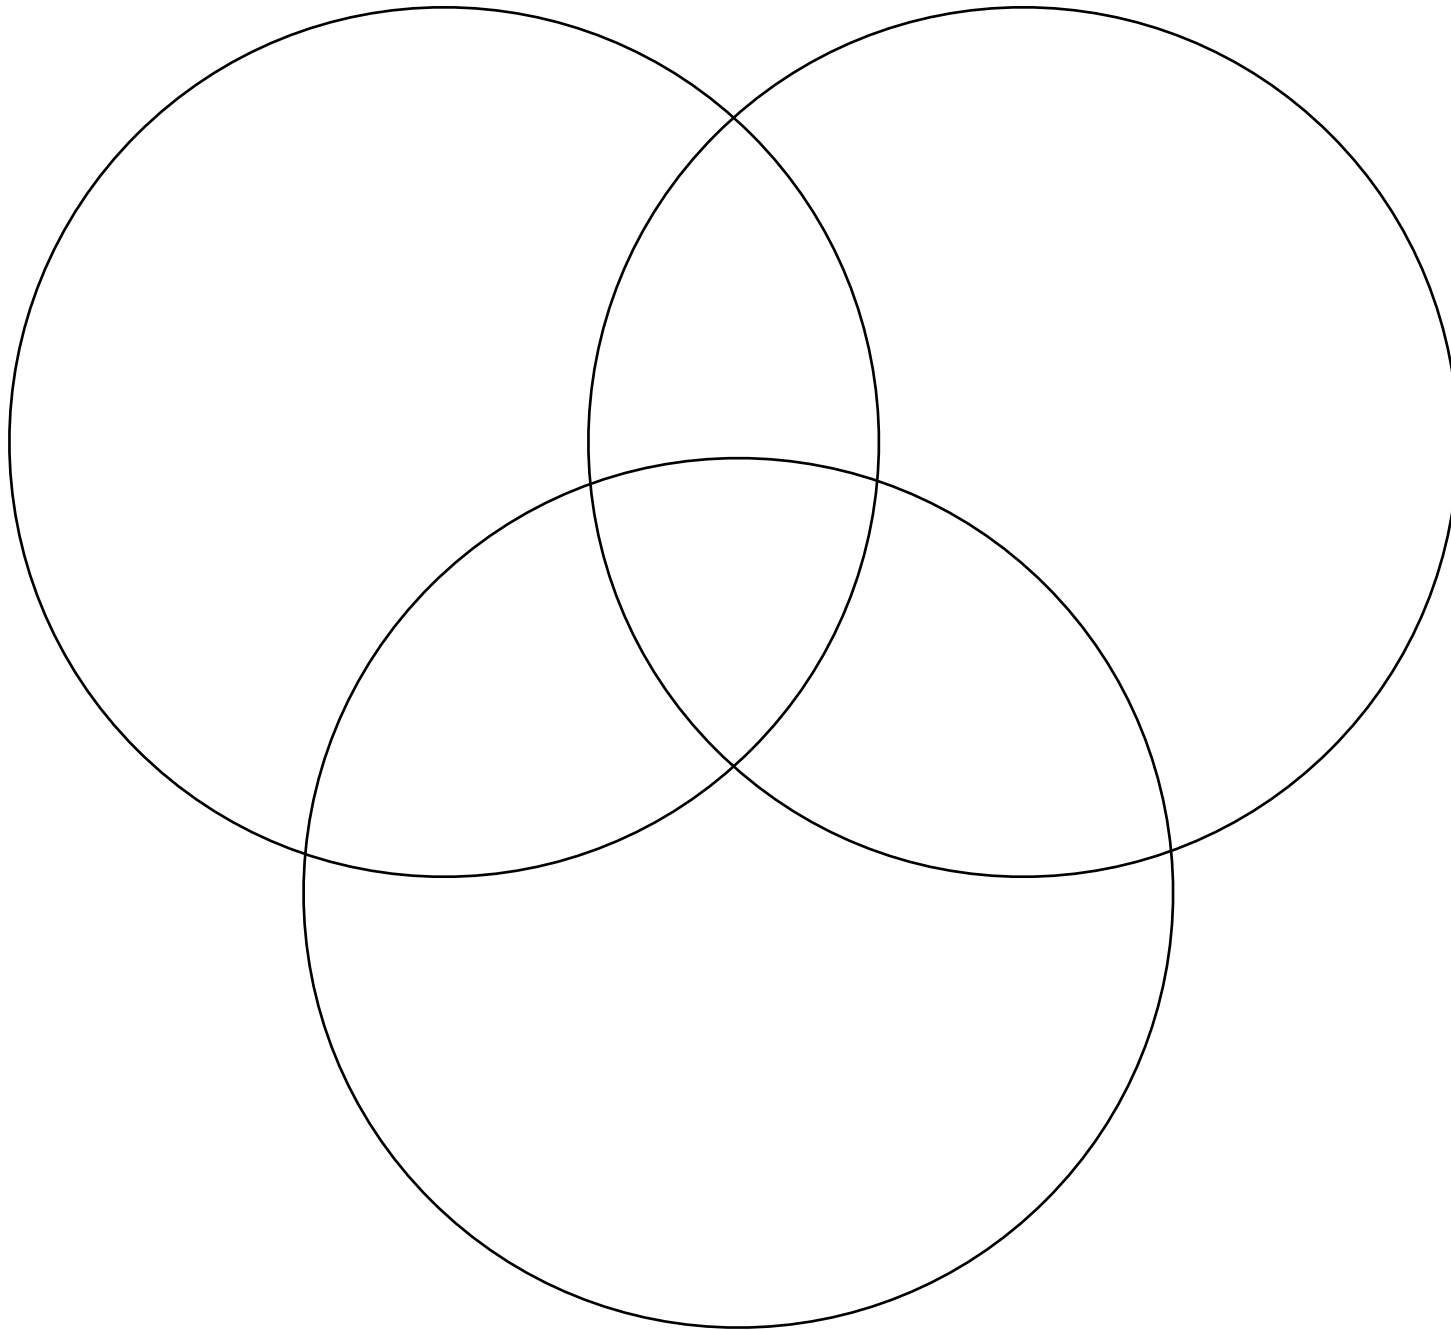

the angle sum is 360°

Packaging pattern blocks: A whole-school approach

© Anita Chin 2018

***K-2 one set per 4 students:**
120 pattern blocks

K-2 Class Kit: 8 sets of 120 pattern blocks

Pair Set Yr 3-4: 30 pattern blocks

***Individual Set Yr 5-8:** 30 pattern blocks

Teacher dem K-8: Jumbo magnetic set of 52 pattern blocks

Class Kit Yr 5-8: 32 individual sets
