

# Maths Lesson Protocols K-6: Classroom Poster

## Being a learner

### Background

These classroom protocols were co-created with students from Kindergarten to Year 6 during my demonstration lessons as part of my residency work at a large metropolitan Sydney school.

### Contents

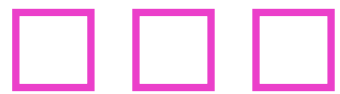

Being a learner: Maths lesson protocols (numbers & words with check boxes). . . . . 2

Being a learner: Maths lesson protocols (pictures & words with check boxes). . . . . 3

# In our maths lesson we...

1 use our **inside voices**

2 help each other by **cooperating**

3 have our **listening ears** on

4 **talk** like a mathematician

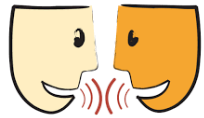

5 work as a **team**

6 **look** for clues around the room.
