Anita's Maths Carry Case

Storage for your task insert sheets

Use an expanding file carry case to store your class sets of each coloured insert sheet.

Anita uses all 19 sections to store a range of task insert sheets and language scaffold sheets K–6.

Keep your 'Maths Carry Case' on your maths shelf in your classroom for quick and easy use!

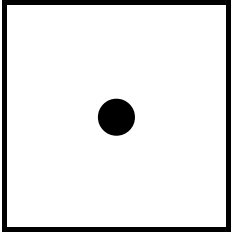

Implementing Anita's 'Maths Carry Case'

For a consistent whole-school approach to maths, each classroom K–6 has their own carry case. The contents of the 19 sections will vary depending on the needs of each grade.

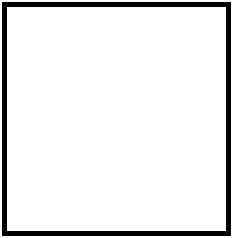

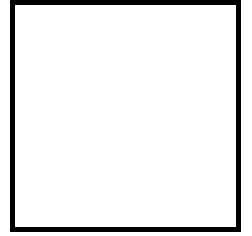

Purchasing your carry cases

'Keji Expanding File Foolsap 19 Pocket' available from: Officeworks, code KEEXPCFLGN, \$7.50 (GST incl. 31/7/2023).

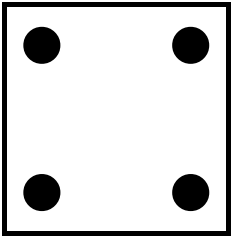

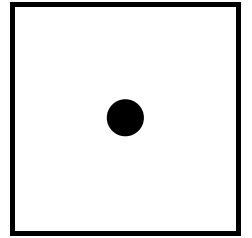

Note: As this comes in a range of four colours, for a whole-school approach to maths you may wish to allocate a different colour per stage.
